RESPONSE TO DECISION ON CERTIFICATE OF CORRECTION

Hon. Sir:

On September 21, 2007, we filed a Certificate of Correction for the above-identified U.S. Patent 7,197,967, deleting the assignee Channellock, Inc., Meadville, PA (US) from the patent.

An assignee was erroneously identified on the issue fee payment form and as "Channellock, Inc.". There is no assignment.

On November 29, 2007, we received a decision dated October 24, 2007 from Ms. Elisha Evans requesting the "recorded assignment" in order to complete the Certificate of Correction. Once again, there is no and never was an assignment. An assignee was erroneously listed on the issue fee payment form.

Please, therefore, proceed with the Certificate of Correction for the aforementioned U.S. patent 7,197,967

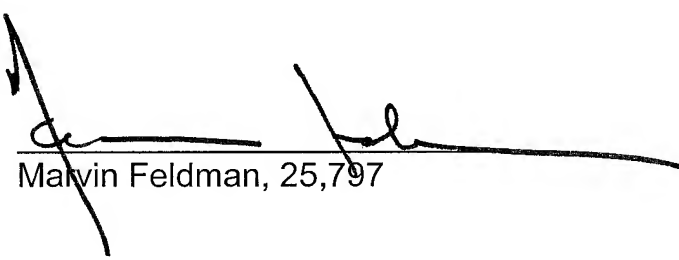

Respectfully submitted.
